Subject: Suicide Prevention Legislation

I am a member of the public who lost a 25 year old son to suicide in 2015. Our son was born and raised in Vermont and we are long-term citizens.

I understand there is a bill pending related to suicide prevention for which public testimony is closed. I am voicing my support for suicide prevention legislation and funding this year and ask you to pass this on to the Joint Fiscal Committee.

Thank you,
Debra Lopez Gottesman, MD
